Other Business Activities

Mr. Wylie, in his individual capacity, is also a licensed insurance agent with various insurance companies, and in such capacity, may recommend, on a commission basis, the purchase of certain insurance products. Although TPA does not sell such insurance products to its investment advisory clients, TPA does permit its *Advisory Affiliates*, in their individual capacities as licensed insurance agents, to sell insurance products to its investment advisory clients. A potential conflict of interest exists to the extent that Mr. Wylie recommends the purchase of insurance products where he receives insurance commissions or other additional compensation from any insurance company.

Joe Wylie is a Certified Public Accountant. TPA shall not receive referral fees from his accounting practice. TPA does not render accounting advice services to its clients. Rather, to the extent that a client requires accounting services, TPA, if requested, will recommend the services of a certified public accountant, all of which services shall be rendered independent of TPA pursuant to a separate agreement between the client and the certified public accountant. TPA shall not receive any of the fees charged by any recommended Certified Public Accountant, referral or otherwise.

Additional Compensation
